**MINNESOTA WOMEN'S  
SOCCER LEAGUE DAY**

Thank you to those who joined us at TCF Bank Stadium for one of the hottest nights in recent memory! We love bringing players from all divisions together for a night of great soccer to celebrate our league! It doesn't hurt that this event serves as a fundraiser for the league through your ticket purchases, helping to keep your costs low! If you have any photos from the event, please email them to [president@mwsl.org](mailto:president@mwsl.org). We'd love to share them!

The 8th Annual MWSL Charity Tournament is October 13, 2018!

They serve to promote **Healing, Empowerment And Recovery** from Trauma associated with sexual abuse. Upon registration, teams reps will receive a bag via mail to STUFF! Below is a list of the items Girl's Circle H.E.A.R.T needs most. Thank you for your generosity! Email [president@mwsl.org](mailto:president@mwsl.org) if you can help with the tournament!

Competitive (primarily summer D3 and above teams) will be on 11v11 on Wednesdays with 45 minute halves. Recreational will be 7v7 games on Thursdays with 25 minute halves. All games will be played at Hazelwood in Maplewood. The season starts September 5 and runs through October 25.

### It is not too early to think about Winter Season!

The MWSL Winter Seasons will be held at the West St. Paul Sports Center on Tuesday Nights from November 2018 through April, 2019. We will offer competitive and recreational 7v7 divisions. Games will be at 7:30, 8:30 and 9:30pm. Team registration opens October 26, 2018.

### Show your LOVE for the MWSL! Join a Committee!

The MWSL Board of directors has committees centered around growth and sustainability of the league. We know that MWSL players bring incredible skills and knowledge to the table and we need your expertise. Help prevent burn-out of your MWSL board and pitch in, gain experience, and HAVE FUN!

#### Committees:

**Growth:** Committee focuses on expanding opportunities for women to play soccer in Minnesota. Needed: 1 or 2 individuals from each division, preferably women also familiar with other leagues. No specific skills necessary.

**Fields:** Committee focuses on building connections and relationships to expand our field options. 1-2 extroverted people to help network and make connections for fields. Preferably people with day-time availability for outreach.

**Assistant Field & Schedule Coordinator:** (individual role) 1 individual needed to support Field and Schedule Coordinator. Busy season is early spring through mid summer. Duties may include submitting & tracking field requests, managing invoices and insurance certificates, manage game day scheduling changes, etc.

**Charity Tournament:** 1-3 individuals desired to help source items for the event, seek donations, coordinate the event, pick up items, help with set up, etc. We meet monthly from April—October.

**With questions or to volunteer for any of the committees simply email [info@mwsl.org](mailto:info@mwsl.org)!**
